

\_\_\_\_\_ 's Creed

I believe in one God, who exists as three persons.

First, I believe in God, my Father – maker of all things on heaven and earth, including me.

- I believe this because:
  
- I have experienced this to be true through:
  
- I have witnessed Him in:
  
- I have felt His love when:

These are the reasons I know and believe in God, my Father, even though I cannot see Him with my eyes. He is real and I can wholeheartedly affirm that through experience AND through faith.

Second, I believe in God as Jesus Christ, my savior, who lived and died and was brought back to life FOR ME before he ascended into heaven.

- I believe this because:
  
- I have experienced this to be true through:
  
- I have witnessed Him in:
  
- I have felt His love when:

These are some of the reasons that I can say Jesus, my redeemer, is real. I look forward to the day He will come back again, in glory, to bring all His people home.

Third, I believe in God, the Holy Spirit, my guide and companion on Earth.

- I believe this because:
  
- I have experienced this to be true through:
  
- I have witnessed Him in:
  
- I have felt His love when:

These are some of the reasons that I know the Holy Spirit is alive and well and living in me.

I believe all of these things because of faith, but I also KNOW them because of experience. My God is a God of grace and mercy and never leaves me – not even for a second. My God accepts me as I am – and promises not to leave me that way!!!

Amen!
